

ENGLISH SPEAKING CLUB

Every Thursday at 15:15

2016

Never speaking native language

Never translating!

Never correcting mistakes!

Never studying grammar!

We are listening to the best speakers from TED talks show and feed our curiosity in different topics - from science to business to global issues

We are learning new words and improving our vocabulary

We are understanding and retelling the speeches

This course is made for students who are willing to improve their comprehension and speaking skills in English
